- A member of the Anglican Communion. The Anglican Communion is a global family of 42 autonomous member churches (provinces) and 5 extra-provincial areas in more than 165 countries. For example the Church of England and the Anglican Church of Canada.

The Anglican Church in North America (ACNA) is not in partnership with the Episcopal Church. ACNA was formed by groups that separated from the Episcopal Church and the Anglican Church of Canada. So their relationship is not one of formal partnership.
